

Paiute asserts that the purpose of this filing is to comply with the Commission's order issued January 22, 1996 in Docket Nos. RP93-49-000 and RP-49-003, by which the Commission approved a joint offer of settlement filed by Paiute and the intervenors in this proceeding.

Paiute states that the settlement offer resolves the allocation among Paiute's customers of the direct-billed take-or-pay buyout and buydown costs charged to Paiute by its upstream supplier, Northwest Pipeline Corporation. Paiute further states that the settlement offer requires Paiute to file revised tariff sheets to reflect the terms and conditions of the settlement. Paiute requests that the proposed tariff sheets be permitted to become effective consistent with the effective date prescribed in the settlement.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20425, in accordance with 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
